Dear Parent,
Greetings from Loyola International Schools!

We trust and hope you and your family are keeping well and safe during these unprecedented times.

In lieu of the current situation and preparation for opening the school for Term 3, we are pleased to inform you that the Transportation Services will commence from **January 3rd, 2021**.

We will continue to work closely with the Ministry of Education and Higher Education on the re-opening guidelines, required percentage of students' on-campus attendance, and all such instructions with consequent changes to the timetables will be informed to Parents in the last week of December.

Important information to be noted:

- 1) Loyola International Schools will adhere to all mandatory safety precautions and guidelines in line with the Ministry of Public Health
- 2) Parents are required to clear all outstanding dues (where applicable) and complete payment of Transport Fees for Term 3, **on or before Dec 22nd, 2020** so we can send your address details to the Transport Department for routing and pickup accordingly.
- 3) Any parent paying after the above date, the school will require 2 weeks to activate Transportation and will be subject to space availability within the bus.
- 4) Parents who complete the payment by the above deadline will receive calls for trial runs in the last week of December to confirm your address and your pickup/drop-off schedules will be advised by the driver accordingly.

Parents opting for Transportation Services are required to fill in your current address details at this link <https://forms.gle/C75GRtocSuT4BBQaA> after which such details will be sent to the Transportation Provider.

The school office is open from 08:00 am to 01:00 pm (Saturday to Thursday), for the collection of fees and such payments are to be made directly with the Transport Provider.

We would like to reassure all parents that Loyola International Schools will continue to follow all precautionary measures as per the COVID-19 safety protocol issued by the Ministry of Public Health, to keep our students and staff safe.
