Dear Parents,

Every year, this time around, we start working on one of the most popular events of our school calendar, an event that gives every student an opportunity to celebrate, rejoice and showcase their inner talent, a time for us to cherish. And remember to be proud of what the school stands for and believes in, it is time for **our Annual Day 2023/24**.

The School Annual Day sets the stage for our students to take part in various programs from cultural songs, to event hosting and acting/drama of skits or lending support in various other activities.
