**Date: 08/03/2023**

Dear Parents,

Greetings from Loyola International School.

On behalf of the Management, all our Teachers and Staff, we are delighted to welcome you and your child/children for the new Academic Year 2023-2024.

As we come close to the conclusion of the current academic year 2022/23, we would like to thank all our parents and children for their continuous support to have made this such a remarkable year, a year where we had one of the biggest Arts & Science exhibition with over 1000+ project participations, a year which had close to 120 activities spanning throughout the complete academic year, and a year where we witnessed the return of our flagship events “Loyola’s Annual Day”. And most importantly a historic year for the State of Qatar, to have hosted one of the best FIFA World Cups of all time.

As we prepare our systems and campus for the new Academic Year 2023/24, we would like to inform you all about some of the Opening Guidelines:

### Commencement Dates

KG 1: Classes will commence on 29<sup>th</sup> March 2023

KG 2 to Grade 6: Classes will commence on 2<sup>nd</sup> April 2023

We at Loyola, have always cared about bringing something new and different, that will not just enrich the experience of your child/children in their journey with us, but also force them to stay connected with their inner passion and creativity. And with this in mind, we are quite excited to introduce some new programs that will be implemented through the course of this upcoming academic year:

- **Loyola Authentic Magical Program (LAMP):**
  - A revamped and holistic methodology of our co-curricular activities calendar that will be applicable for all Grades 1 – 6, a platform that will expand and enhance the avenues of our students with innovative self and professional development activities, preparing our students for inter-school competitions, Debate Clubs, Model United Nations initiatives, Sustainable Development Goals and other exciting chapters.
- **Revised Physical Education Program:**
  - Through this initiative, Physical Education will be elevated to a core subject, through which we intend to encourage further development and preparation of our students to compete at inter-school levels at wider sport disciplines.
