Happy Birthday Emir!

Thread Art by Dhyaan

Celebrating the birthday of His Highness Sheikh Tamim, we honor a visionary leader who continues to inspire and elevate our nation. May his wisdom and dedication continue to guide Qatar towards a prosperous and united future.

REFLECTIONS : Our Annual Science and Arts Exhibition was a mega celebration brimming with the synergy of knowledge and limitless creativity. The campus came alive with projects, showing off the creativity and passion of over 3,000 students. Detailed working models, a dedicated Robotics section, vibrant art displays, documentaries, role plays, narrations, and fun games filled our galleries. Students even showcased technologies such as electronic voting machines, electronic stability control, parking counters, and dancing robots among many other brilliant projects. Each display reflected the students' deep understanding and passion for their subjects.
