WELCOME

Welcome to the December Edition of the Newsletter!

As the year drew to a close, December was nothing short of extraordinary! A month of celebrations, purposeful initiatives, and remarkable accomplishments, it reflected the very spirit of our community.

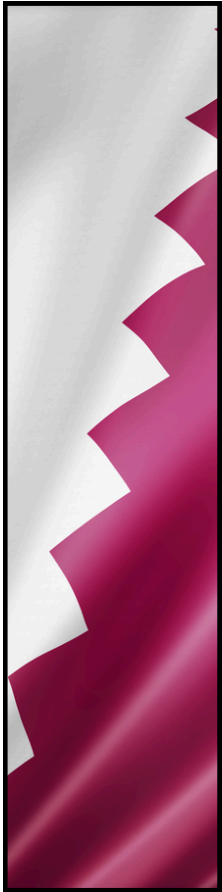

From the joyous festivities of Qatar National Day to impactful Go Green initiatives, the month was brimming with meaning and mindful action. Our staff embraced growth with various trainings and our students excelled in external events, adding new accolades to our name.

Together, we ended the year on a high note, recharging our spirits and paving the way for a fresh start.

With renewed energy and enthusiasm, we step into a new term and a brand-new calendar year. Here's to embracing challenges, nurturing growth, and achieving greater heights together!

Happy New Year and Welcome Back!

Qatar National Day

With hearts full of pride and flags held high,
we celebrate Qatar; our home, our joy, our strength!

From a spectacular parade to the heartfelt "We ♥ Qatar" human formation, traditional dances and speeches, soulful music and vibrant activities, our students embraced the spirit of Qatar National Day with unwavering pride. Our students also created vision boards for Qatar 2030, sharing their dreams and hopes for the nation's progress. Dressed in the colors of the Qatari flag, they waved them high, filling the day with joy, unity, and love for our nation.

Akshaya Kanteti

Grade 4

1st prize in Telugu category

2nd in Hindi category.

Super Singer Qatar Competition

Inter-Campus Competitions

The Inter-Campus Competitions brought out the best in our Al Nasr and Oasis campuses, proving that a little rivalry can spark a whole lot of brilliance. This time, the Quran Recitation and Moral Storytelling Competitions took center stage, with students delivering performances that were nothing short of inspiring.

From eloquent verses to captivating stories, they brought their A-game, pushing each other to new heights. Sure, it's a competition, but here at Loyola, it's less about winning and more about sharpening skills and lifting each other up.

Because when we compete, we don't just go head-to-head—we rise together!

Glimpse of Activities

Life Skills in Action: Cyber Smarts & Green Starts!

At Loyola, we're shaping a generation that's as smart with the internet as they are with the environment.

Surf Smart, Stay Safe!

Our students mastered the art of navigating the digital world responsibly—because passwords should be strong, not predictable, and footprints are best left on beaches, not online.

Green Loyola Initiative: Growing for the Future!

Meanwhile, they rolled up their sleeves and planted the seeds (literally) for a greener tomorrow, nurturing both the planet and their sense of sustainability.

Whether it's online or on the earth, our students are learning to operate with purpose, responsibility, and a whole lot of heart.

Celebrations @ Loyola : Christmas Cheer!

Our younger students sprinkled holiday magic all around with their beautiful Christmas crafts, colorful decorations, and heartwarming Secret Santa surprises. The joy, togetherness, and festive vibes truly lit up Loyola!

Celebrating the Poetry of Numbers!

Who says math can't steal the show? Whether exploring shapes in class or dazzling us with skits and performances, our students turned National Mathematics Day into a celebration of numbers, logic, and limitless creativity!

Kindness in Action: Words and Deeds!

From donating books, toys, and clothes in the "Sharing and Caring" activity to learning the lasting impact of words with "Wrinkled Heart Activity", our students embraced the power of kindness.

Whether through thoughtful actions or uplifting words, they discovered that compassion is the key to making a difference.

Exploring Stars and Styles!

Our grade 3 students ventured from stargazing to style-spotting in their Science class. Our students navigated the stars and celebrated local culture, crafting constellations and clothing collages that brought learning to life in the most creative ways.

Empowering Minds, Leading the Way!

At Loyola, growth never stops! From peer-led AI training for teachers to mastering public speaking with the Toastmasters Club, we're building skills and confidence across the board. Together, we're shaping a future full of innovation and leadership!

Celebrating the Days That Matter!

At Loyola, every day is an opportunity to learn, grow, and celebrate the world around us. From honoring the foundation of life on Soil Day, to unlocking imagination on Walt Disney's Birthday, championing cultural pride on Arabic Day, and standing united for dignity and equality on Human Rights Day—our school buzzed with purpose and passion.

These moments remind us that education isn't just about lessons; it's about values, creativity, and a deeper connection to the world we share.

World Arabic Day

Kindergarten

Red, White, and Full of Delight!

Our Christmas celebration was a jolly mix of carols, dances, and Secret Santa fun, where little Loyolites shared gifts, smiles, and the true spirit of the season.

Colors, Reactions, and a Dash of Science Magic!

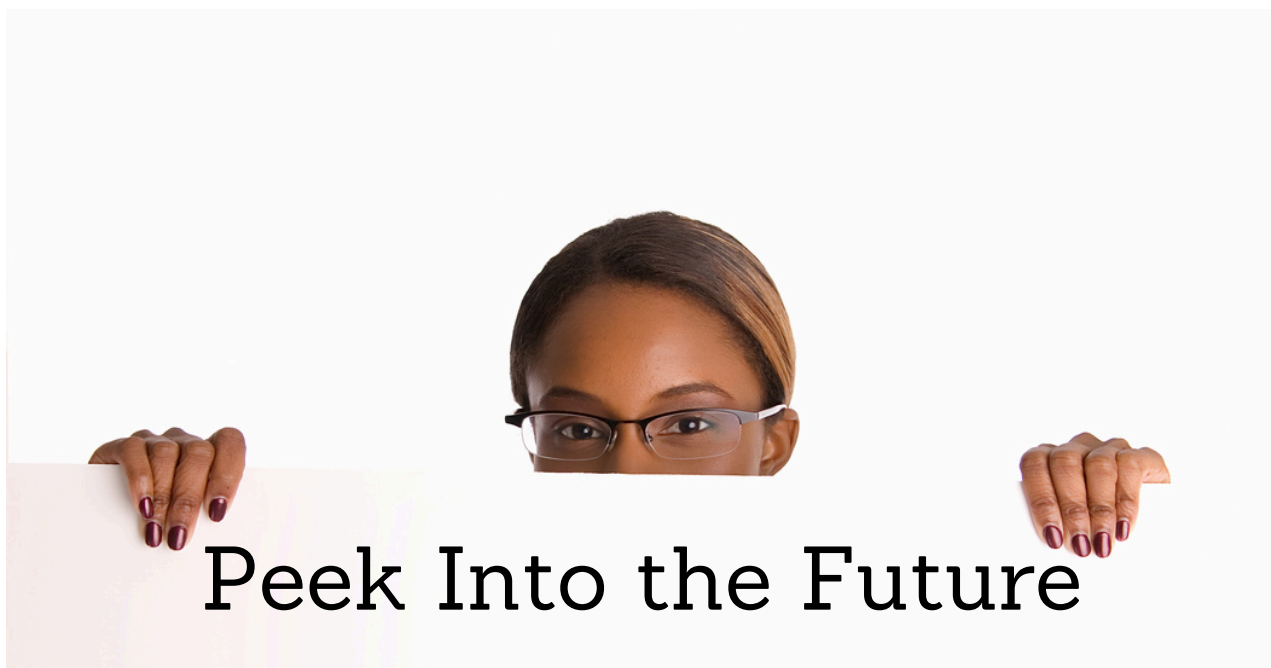

Turmeric, detergent, lemon, and baking soda teamed up for a spectacular show of acid-base reactions, turning simple ingredients into a colorful science adventure.

Tiny Hands, Big Appreciation!

Our kindergarteners got creative for World Soil Day, coloring their way to a deeper love for the earth beneath their feet—because even the littlest artists can celebrate nature in the biggest ways!

Peek Into the Future

"Peek into the Future" is your exclusive preview of upcoming events at our school. This section gives you a glimpse of the vibrant happenings waiting just around the corner. Get ready for a calendar full of engaging activities and memorable moments!
