10th Annual Day Celebrations

Loyola International School marked a momentous milestone with its 10th Annual Day celebrations, marking a decade of holistic education in Qatar. Themed "Avishkar"—meaning "Invention" or "Discovery" in Sanskrit—the event highlighted the school's remarkable journey and its visionary aspirations for the future.

The first session transported the audience to 2050, exploring eco-friendly technologies, robotics, and advancements in education and medicine. Chief Guest Sheikh Ahmed Hamad A.A. Al Thani commended the school for fostering a nurturing environment and envisioning a bright future. The second session celebrated real-life changemakers, portraying inspiring figures like Orion Jean and Param Jaggi, with performances emphasizing kindness, courage, and leadership. Chief Guest Lt. Col. Eng. Ali Bin Abdulla Bin Ali Al Suwaidi praised the school's multicultural approach in preparing students for a globalized world.

The spectacular event was a culmination of weeks of meticulous planning and tireless efforts by the teachers, students, and support staff. Loyola's Managing Director, Anup Chakravarthy, took a moment to appreciate these efforts, applauding all for their hard work and passion, emphasizing how their hard work reflects the school's values of excellence, creativity and collaboration.

Parents left the event beaming with pride, expressing gratitude for a celebration that reinforced their confidence in Loyola's holistic approach to education and its commitment to nurturing not just academics but also creativity, character, and leadership.

Loyola International School's Annual Day was a resounding success, celebrating not only a decade of achievements but also a promising vision for the years ahead.
