WELCOME

Welcome to the September's Edition of the Newsletter!

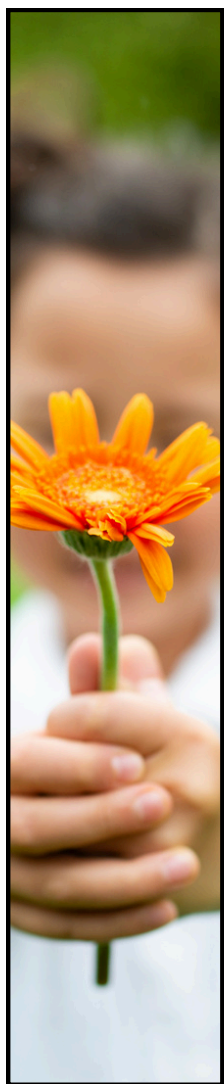

As we step into October, let's take a moment to celebrate the vibrant month of September! We've had so much to cheer about, from our joyful Teachers' Day celebrations, where we expressed our gratitude to our amazing educators, to the exciting Decennial celebrations that reminded us of our incredible journey together.

We also tackled our half-yearly examinations we've made it through! A big round of applause to everyone for your hard work and determination.

As we look forward to the month ahead, let's carry all the energy and spear ahead to have more learning, laughter, and memorable moments!

Teachers' Day Celebration at Loyola International School

Teacher's Day is a heartfelt reminder of the invaluable role our teachers play in shaping our lives. They are not just instructors but mentors who inspire us to believe in ourselves, even when challenges arise. With their unwavering dedication, patience, and guidance, teachers help us grow both academically and personally.

On this special day, our students expressed their deepest gratitude for their tireless efforts, kindness, and the countless ways teachers help them achieve their potential.

Heartfelt gratitude

Felicitations by ICC, Tamil Sangha & Andra Kala Vedika

"**LIS Star of the Month**", a title that students take pride in! Students compete for excellency in not only academics, but also in having a well-round personality. Recognizing and strengthening the positives in students and encouraging them to strive for greater achievements, LIS honors a student from each class every month.

Student of the month is selected on various criteria like academic performance, participation in co-curricular activities, personal hygiene, behavioural discipline, regularity and uniform.

Congratulations to all the students who have set an example for everyone around!

Glimpse of Activities

Aseel: Values Shaping Identities

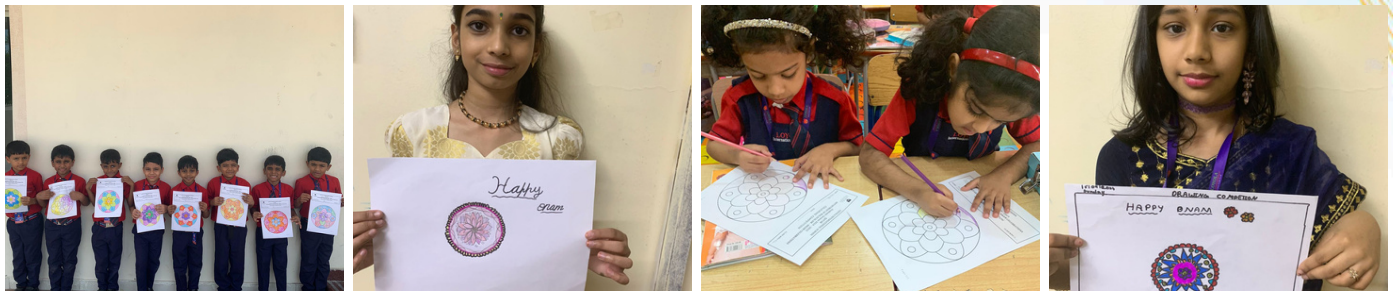

Our school recently conducted a series of unique activities as part of the Aseel Initiative, guided by the Ministry of Education and Higher Education's "My Values Shape My Identity" program.

Our primary wing expressed their appreciation for their valuable families through crafts, electronic games, questionnaires, quizzes, by helping in chores and many such small acts. While the secondary school students conveyed their gratitude and pride for their class and school. These activities nurture the appreciation for family values and respect for the school community.

Festivities at School : Celebrating Onam

The Onam spirit lit up our school with joy! Malayalam department was full of excitement with competitions. From colouring competition to Handwriting competition, from poem recitation to essay writing, our students celebrated Onam in style!

Celebrating Hindi Day

Honouring the language that connects millions across the country, our school observed Hindi Diwas and celebrated its rich cultural heritage through engaging performances in assemblies, & inspiring activities.

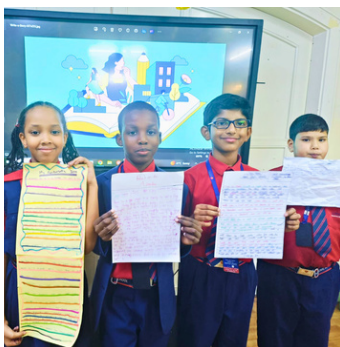

Guardians of the Wild: Celebrating National Wildlife Day

our students took a closer look at endangered species, researching their habitats, diets, and the threats they face. Through creative posters, they showcased everything from majestic tigers to delicate sea turtles, raising awareness on the importance of conservation efforts. Together, they stand as the Guardians of the Wild, committed to protecting our planet's rich biodiversity.

Joy of Reading - Celebrating Literacy Day

In celebration of Literacy Day, our students truly embraced the joy of reading! They brought in their favorite books to share with classmates and even exchanged titles to spread their love for literature. Some talented young authors wrote their own stories and read them aloud, captivating their peers. It's wonderful to see our students building their imaginative skills through reading and writing!

Empowering Educators for Excellence!

The three-day workshop focused on promoting critical thinking and student engagement through effective questioning, innovative classroom strategies, and positive reinforcement. A special session on Effective Pedagogical Leadership was also conducted empowering school leaders with strategies to cultivate excellence in teaching and create a collaborative environment.

These initiatives are a part of Loyola's ongoing efforts to provide the best learning environment for its students, equipping educators with strategies to nurture creativity and holistic development.

Kindergarten

Busy Bees Inter-School Competition

Our school came alive on 21st September, as kindergarteners from across Qatar showcased their talents in the Busy Bees Inter School Competition. From Fable Fiesta to Spelling Bee, Math Bee, and Palate Parade, these young stars proved that talent knows no age!

With 126 little participants dazzling us with their creativity and enthusiasm, the atmosphere was electric! Our incredible judges, Mrs. Andrea Koduru and Mr. Christopher Almeida, had the toughest job picking the winners! Every child brought something special to the stage, making the day truly unforgettable!

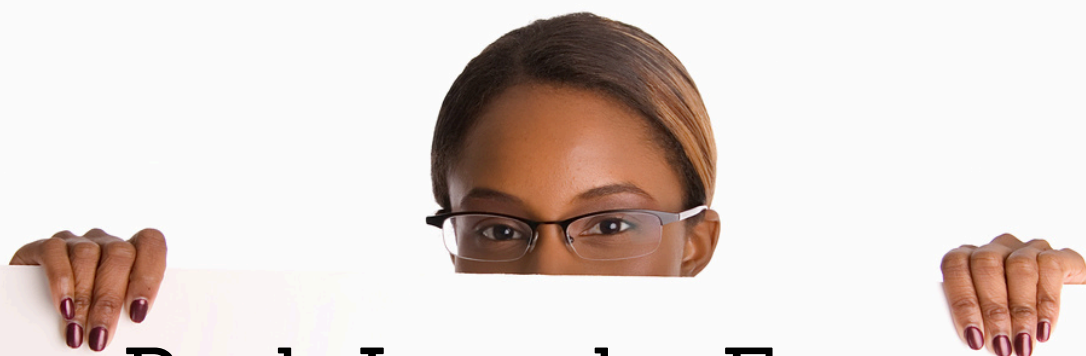

Activities and Motor Skills Development

At our school, we prioritize motor skills development activities as they are the building blocks of a child's physical and cognitive growth. These activities, ranging from games and exercises to creative play that help children improve coordination, balance, and fine motor skills, setting a strong foundation for their overall development.

This month, our kindergarten students were engaged in a variety of activities, from understanding the different seasons to building their own binoculars to watch the nature around them, or creating 2D objects from cut out shapes, these activities encourage learning and also create a nurturing environment where our kids can thrive and grow!
